

## **Front End Budgeting Status**

The policy requires that any group receiving operational monies must apply for Front End Budgeted status. This status is reserved for a few organizations that may meet the criteria. To be eligible for FEB status, the following minimum criteria must be met:

- 1.) The organization must be open to all CNU students. Political, religious and gender-affiliated organizations will not be eligible.
- 2.) The mission of the organization must demonstrate a breadth of contributions to the betterment of the university community rather than a minimal subset of the community.
- 3.) The programs and activities offered by the organization are of a campus-wide nature. These events, which may differ in content and delivery from year to year, must reoccur on an annual basis.
- 4.) The organization must be institutionally supported at a significant level. This support may be demonstrated in funding, operational resources, or personnel whose professional duties include direct work with the organization
